

Media Mail

UPS Mail Innovations®

Media Mail is generally used for books (at least eight pages long), film, printed music, printed test materials, sound recordings, play scripts, printed educational charts, loose-leaf pages, binders and computer-readable media, such as CDs. Media Mail cannot contain advertising.

You can receive discounts on Media Mail by sending presorted bulk quantities (minimum of 300 pieces), and there is also a bar-coded discount available.

Maximum weight for Media Mail is 70 pounds. The maximum size allowed is 108 inches — measured in combined length and distance around the thickest part.

Your UPS Mail Innovations account executive can assist you in making the necessary adjustments that will save you money. Using the UPS network allows you to obtain higher discounts using drop shipping and deeper mail induction.
